Applicant's Petition to Revive Under 37 CFR §1.137(b), filed in the above-captioned application on 25 April 2008 is **GRANTED**.

Applicant states that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional, as required by 37 CFR 1.137(b)(3). The appropriate national fee and petition fee have been submitted. A terminal disclaimer is not required as the application was filed on or after 08 June 1995. Accordingly, all requirements under 37 CFR 1.137(b) have been satisfied.

A signed oath or declaration has not yet been submitted. The search fee, examination fee and fee for late filing of the search fee, examination fee, and fee have not yet been paid.

This application is being referred to the National Stage Processing Branch of the Office of Patent Application Processing for continued processing in accordance with this decision, including the mailing of a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that an oath or declaration in compliance with 37 CFR 1.497(a)-(b), the search fee, examination fee and the surcharge for late filing of the search fee, examination fee or oath or declaration are required.
